## BEWARE OF RECRUITMENT SCAMS; HO TEACHING HOSPITAL NOT RECRUITING NURSES

Ho, 30 July 2026 - The Management of Ho Teaching Hospital has taken notice of false information circulating on various platforms alleging that the Hospital is currently recruiting nursing staff and that prospective applicants are required to pay money to secure employment.

Management wishes to categorically state that Ho Teaching Hospital is not undertaking any recruitment of nursing staff.

Consequently, any individual or group claiming to be recruiting on behalf of the Hospital is acting fraudulently and without the authority of Management.

The Hospital further wishes to emphasise that the Office of the Chief Executive Officer does not charge, request, or receive money from any individual in connection with recruitment or employment.

Furthermore, no staff member, agent, intermediary, or any other person has been authorised by the Hospital or the Office of the Chief Executive Officer to collect money on its behalf for employment or recruitment purposes.

Management strongly cautions members of the public to remain vigilant and to disregard any request for payment purportedly linked to recruitment at Ho Teaching Hospital.

Individuals who engage in such fraudulent activities are committing offences and will be reported to the appropriate law enforcement authorities for investigation and prosecution.

The Hospital encourages anyone who is approached for payment or becomes aware of any suspected extortion, solicitation of money, impersonation, or other fraudulent activity being carried out in the name of Ho Teaching Hospital or the Office of the Chief Executive Officer to report the matter immediately to the Office of the Chief Executive Officer or through 0541229585.

Ho Teaching Hospital remains committed to transparency, fairness, and merit-based recruitment.

The Hospital wishes to assure the public that whenever recruitment opportunities become available, they will be announced exclusively through the Hospital's official communication channels and other recognised media platforms.

Management appreciates the continued trust and support of the public and urges everyone to verify information through official sources before taking any action.
